“TURNING OBSTACLES INTO TRUE POTENTIAL!”

DEAR MEMBER/PROSPECTIVE MEMBER OF EPILEPSY SOUTH AFRICA.

Epilepsy South Africa assists people with epilepsy to live to their maximum and true potential.

We therefore aim to be of service to people with and affected by the condition.

We focus on the rights of persons with epilepsy and will be celebrating several important events during the 2019/2020 year:

December 2018 - December 2019:
20th Anniversary celebrations of the Epilepsy SA Educational Trust

31 May 2019: Tekkie Tax (which is celebrated on the last Friday in May annually)

16 June 2019: National Youth Day (linked to our youth initiative - The Nicholas Project)

National Disability Rights Awareness Month

3 December 2019: International Day of Persons with Disabilities

We also aim to build the capacity of families, community members and companies to support people with epilepsy. Please contact us for more information about epilepsy, training opportunities and other initiatives.

We would like our members to become more involved in our programmes and will therefore keep you updated on activities within the organisation throughout the year.

Activities we suggest for your involvement:
